

Birds of Our Meadows

SUNDAY MAY 15, 2022
Conway Town Hall 4 pm

Simon Pierre Barrette

Recorder/Bill Danielson

Conway's meadows and open fields provide nesting and foraging for:

- ◆ Kestrels
- ◆ Bobolinks
- ◆ Barn Swallows
- ◆ Tree Swallows and
- ◆ Bluebirds, among others

Join ornithologist Mara Silver on **Sunday, May 15th at 4 pm** at the **Conway Town Hall** for a presentation on these beautiful birds and how you can make your property more inviting to them and help them thrive. An engaging presenter, Mara will share fun facts and photos.

Mara Silver's been working on swallow conservation projects for 30 years. She's developed techniques to attract and enhance breeding success at Cliff, Barn & Bank Swallow nesting sites. Mara holds an M.S. in Wildlife & Fisheries Conservation from UMass, Amherst.

See www.swallowconservation.org for more information.
